What do students say about this course?

“The most important thing that I learned in this class was how to write in “Economics” style, picking up a new style of academic writing and discarding some personal bad writing habits.”

(Spring 2011)

“I will feel more confident when writing my senior seminar project”

(Spring 2010)

“I learned how to estimate an econometric model from scratch.”

(Spring 2011)

“I do not regret for a second taking this course.”

(Spring 2010)
